# WELCOME

## from the Principal

Dear Students, Parents and Guardians,  
Thank you for your interest in Shoalhaven River College (SRC). SRC is a registered non-government high school operating under the auspices of Kiama Community College Ltd. It is a small high school, with a nominal fee of \$100 per annum.

In 2022 we will cater for a maximum of 60 students across years 9-12.

We welcome applications for enrolment from students who feel that a mainstream educational setting is not the ideal environment for them to thrive in academically, socially or personally.

Our school, being small in student numbers, is personal, supportive and focused on the individual's success at all times.

Our staff are passionate about young people succeeding in their schooling and being equipped to pathway successfully into their future beyond high school.

Should you have any further questions or require further information, please contact our staff.

**Trish Ikin**  
**Principal**  
**Shoalhaven River College**

In 2022, we will cater for a maximum of 60 students across years 9-12.

# WHO WE ARE

Shoalhaven River College (SRC) is a small registered non-government school located in Bomaderry, operating under the auspices of Kiama Community College Ltd. SRC provides an alternative high school educational environment where students are provided with the opportunity to undertake Stage 5 curriculum and gain their ROSA, as well as Stage 6 curriculum to gain their Higher School Certificate and ATAR.

SRC is ideal for students who may experience difficulty in succeeding in mainstream education, or may feel uncomfortable in a mainstream high school. Our school provides an empowering and engaging education environment so that students can progress to live productive and satisfying lives beyond high school.

Doing school differently to help young people thrive.

## Our staff

Our staff are approachable so that students can discuss any concerns about their schooling or life in general. Our Student Wellbeing Officers provide students with ongoing additional whole of life support. Staff are committed to enhancing and individualising learning opportunities and strengthening the wellbeing of every student.

## Our classes

We have small class sizes (average of 15 students per class) so that each student can have their individual learning needs taken into account. In 2021, there will be a maximum of 60 students attending SRC in Years 9-12. Teachers may choose a change in environment to deliver the lesson, for example, by going outside. We don't have school uniforms or bells and all staff and students refer to each other on a first name basis.

## Our learning approach

We apply learning principles based on mutual respect and celebrating difference. We foster academic achievement, independence, belonging and the celebration of life's accomplishments. Opportunities for success come every day for students at SRC. We encourage students to have a sense of working in collaboration with staff to succeed.

# OUR CORE VALUES

**OUR SCHOOL HAS THREE CORE VALUES WHICH OUR STAFF AND STUDENTS OBSERVE IN DAILY SCHOOL LIFE.**

## Respect Yourself and Others

Our school environment is respectful, friendly and inclusive. We foster an environment where all students and staff feel a sense of belonging to the SRC community, with respect being the foundation of this. Students will be accepted for who they are, and embraced for what they can bring to the school community. Students are expected to respect themselves and also to respect others, including respecting the rights of others to have a productive learning environment.

## Take Responsibility

We are a school community where all individuals take responsibility for their learning and relationships as well as their academic and personal growth. When things don't go to plan we use it as an opportunity to reflect, learn, be responsible for our actions and mature. Students are expected to take responsibility for their attendance, behaviour, choices and their engagement with their learning.

## Strive

All individuals are encouraged and supported to move forward and grow in all areas of their life, be that within SRC, outside of, or beyond SRC. Learning opportunities should be valued and active participation given. Students are encouraged to set and pursue individualised goals. Students are celebrated when they achieve a success of any kind and are supported and encouraged as needed so that they continue to strive.

# THINGS TO NOTE

SRC is a minimal fee paying, small, independent school. We have been designated by NESAs as a 'special assistance' school. There are eligibility criteria and an application procedure to determine who can enrol. We maintain the right to accept or deny student applications on the basis of an applicant's readiness to participate in an adult learning environment.

SRC uses a balanced welfare/ learning model of support as we understand that learning cannot take place if a student does not first have a sense of security and belonging.

SRC is not an 'easier' option for school life, nor is it a behavioural school. While our school environment and delivery are different, students will need to demonstrate effort and determination in order to succeed at SRC and beyond.

Because SRC is not a specialist 'behavioural school', we are unable to cater for one-on-one behavioural needs or high level behaviour assistance.

We are unable to accept everyone. We carefully select students that meet our outlined criteria and who proceed through the application and interview process.

Not all young people will find that SRC is suitable for them, and there will be times

when it is in the best interests of the student to be enrolled elsewhere.

We have an expectation that our students will stay on the premises during school hours. Additionally, all students will be issued with the Student Handbook which outlines the SRC Code of Conduct and rules. Failure to abide by the behavioural Code of Conduct will result in students progressing through the discipline process. This ranges from suspension to withdrawal of enrolment depending on the breach and the student's attitude towards their behaviour.

A thriving environment, with the freedom to be you.

We believe in you.  
You are accepted.  
You belong here.  
You've got this.

# ELIGIBILITY TO APPLY

The students who attend our school are young people that may struggle to undertake their education in a mainstream school.

We welcome applications from students who feel that a mainstream educational setting is not the ideal environment for them to thrive in academically, socially or personally.

The selection criteria for SRC focus on the following priorities:

**A demonstrated desire to learn. Students who enrol have to want to attend and participate in all activities.**

**A maturity to learn in an adult learning environment with the ability to work independently for short periods of time.**

**Barriers to effective participation in mainstream education and / or experience of disadvantage. These barriers may include challenges associated with:**

*mental health,  
social inclusion,  
financial disadvantage,  
Aboriginal or Torres Strait Islander background,  
family breakdown,  
educational disengagement.*

**An acceptable level of risk posed to other students.**

**A level of functional literacy and the ability to function independently.**

# 2022 COURSES

## Stage 5: Years 9 & 10

In 2022, SRC will be offering Stage 5 of the NSW School Syllabus (Years 9 & 10) which can lead to the awarding of the Record of School Achievement (ROSA).

We teach the full NSW NESA Stage 5 School Curriculum for both Years 9 and 10 which includes: English, Maths, Science, PDHPE and HSIE (History & Geography). Students also participate in 'Life and Work Matters' which focuses on personal development, learning for life, volunteering in the community and exploring the world of work.

Attainment of the ROSA is dependent on participation in Stage 4 subjects at a student's previous school/s. SRC may be able to catch students up on some learning that may have been missed in Stage 4, but please be aware that it may not be possible to bridge all unmet Stage 4 requirements.

A student who has not met all Stage 4 requirements is still very welcome to apply to enrol at SRC, but will need to be aware that, in some circumstances, a student's prior educational history may mean that they are ineligible for a ROSA.

## Stage 6: Years 11 & 12

In 2022, SRC will be offering Stage 6 of the NSW School Syllabus for Year 11 and 12 students, which will contribute towards the Higher School Certificate and students will be eligible for an ATAR..

Our Stage 6 program will cater for students seeking to obtain their HSC. Courses have been carefully selected to have broad appeal, for relevance and for engagement. Our curriculum will allow our students to prepare for further education, training and employment.

To be eligible to apply for Year 11, a student must:

- have satisfactorily completed Years 9 and 10 or gained other qualifications that satisfies NESA
- complete *HSC: All My Own Work* (or its equivalent) before submitting any work for Year 11 or Year 12 courses.

Discovering and celebrating your unique strengths.

## Stage 6 Course Offering

We have planned the following program for students commencing Year 11 in 2022. This program ensures that enrolling students will have the opportunity to attain their HSC.

Year 11: 2022	Year 12: 2022

3u Outdoor Recreation	2u Maths Standard
2u Maths Standard	2u Community & Family Studies
2u Community and Family Studies	2u Visual Arts

Please be aware that, whilst it is highly unlikely, courses offered may be subject to change prior to the commencement of the 2022 school year. Please also be aware that SRC will not be offering a program that provides eligibility for an ATAR.

## SRC hours of operation

SRC's hours of operation are Monday to Friday 8:45am – 2:55pm (not including public holidays). The school provides supervision from 8.30am.

## Fees

There is a resource fee of \$100 per year. This covers curriculum resources required for subject delivery and excursion costs. Instances of financial hardship will be considered as it is not the intention of the school to have finances be a barrier to learning at SRC.

## Term dates for 2022

SRC generally corresponds to the NSW school term dates. Students will be notified of any alteration to school dates including student free days, staff development or school excursions.

Term	First Day	Last Day
1	28 January	8 April

Individualised learning at your own pace.

# HOW TO APPLY

THERE ARE FOUR STEPS IN THE APPLICATION AND ENROLMENT PROCESS.

## 1 Application for enrolment

To apply for enrolment, please complete the SRC application form with the required supporting documentation. You can return your enrolment form directly to the administration office at the school at 1 Mattes Way Bomaderry or email it to [info@shoalhavenrivercollege.org.au](mailto:info@shoalhavenrivercollege.org.au) Places are often in demand at SRC so you are encouraged to submit your application as soon as possible so that you may be offered an interview in the near future. If you are uncertain about any aspect of the application process, we encourage you to contact us for assistance.

## 2 Student interview

After we receive your application, School staff will assess whether you meet the criteria for the School, as outlined in this handbook. We will ring to offer the student an interview and schedule a time to meet. This interview will be made as informal and comfortable as possible for the student. Students are welcome to bring a support person, such as a parent, guardian, support worker or friend, along to the interview but we are most interested in what the student has to share with us about why they would like to join our School. At the interview we will also ask the student about their experiences of schooling and their background. A student's acceptance into the school is dependent, in part, on their desire for a fresh start as well as their willingness to learn. Please note, an interview does not guarantee an offer of enrolment at SRC.

Creating a place to belong, for a brighter future.

### **3 Enrolment Phase 1: Initial enrolment – Two week period**

Following the interview, the SRC Principal and school staff will make a decision as to whether the student will be offered an initial enrolment at SRC. This decision will take into account the following:

- Is the student able and willing to learn within an adult learning environment?
- Does the student demonstrate a desire to attend?
- Does the student meet the selection criteria?
- Can SRC meet the students needs?
- Does SRC currently have places available?

You will be advised via telephone if an offer of initial enrolment will be made. During the two-week initial enrolment period the school will assess how the student is responding to the school environment in relation to the following criteria for renewal of enrolment:

- Attendance
- Engagement
- Social interaction
- Attitude towards learning

The school will communicate with the student and their parents/carers during the initial enrolment period, about how the student is progressing in relation to the criteria for renewal of enrolment as identified above. If the student's enrolment is not renewed the student's enrolment at the school will cease at the end of the initial enrolment period.

### **4 Enrolment Phase 2: Renewal of enrolment**

At the end of the initial enrolment period the school may offer the student renewal of enrolment based on the school's assessment of the student against the criteria for renewal of enrolment (attendance, engagement, social interaction and attitude towards learning). Renewal of enrolment provides ongoing enrolment at the school subject to the student and their parents/carers meeting the school's requirements for continuing enrolment.

## Ongoing enrolment

If a student successfully participates in the school community in their initial enrolment period of two weeks, they will be offered a renewal/ ongoing enrolment. Continuing enrolment at the school is then subject to the student abiding by the School's Code Of Conduct and rules outlined in the Student Handbook. Breaches will result in students progressing through the discipline process.

## Cessation of enrolment

A student's enrolment may cease in the following circumstances:

1. expiry of the initial enrolment period, with no renewal of enrolment offered
2. withdrawal of enrolment by the student and their parents/carers
3. termination of the enrolment by the school on the grounds of discipline or a breach of the School's Code of Conduct.

Where a student's enrolment ceases, the student and their parents/carers are required to inform the school of their post-school destination, that is whether the student has enrolled in education or training at another education provider or is in employment and who the education/ training and/or employment is with. Where a student is under the age of 17, the school should be informed of their post-school destination. If this is not known, the school is required to report to the NSW Department of Education that the student's destination is unknown.

## Re-enrolment of previously withdrawn student

Should a previously withdrawn student wish to apply to re-enrol, they are only able to do so after twelve (12) months from the date of withdrawal of enrolment or earlier upon application to the Principal if there is evidence that behaviours have changed.

The student will be interviewed by the

Principal and must explain how they will comply with the Code Of Conduct and rules of SRC. In the application to enrol assessment, the school will consider whether the student is now ready to take up the challenge of an adult learning environment.

Should a student's application for re-entry after withdrawal be accepted, a written and agreed to individual plan will be written by the Principal in conjunction with the Youth Support Worker and/or Teachers. This plan will outline what is mandatory for the student to comply with in re-commencing their education with SRC and will be written on a case by case basis. The plan will consider appropriate behaviour, transition process and the length of transition.
